

Responding to your December 11, 2008; December 23, 2008; and January 6, 2009 requests for additional information.

Upon review of the originally filed 2008 October 15 Quarterly report, the committee erroneously reported an incorrect disbursement amount of \$121,127.65 made on July 22, 2008, for direct mail postage. The correct amount is \$12,127.65.

Also, on the originally filed 2008 October 15 Quarterly report, the committee erroneously made two duplicate entries for one \$7,333.98 disbursement made September 30, 2008, to Capitol Strategy Group.

Further, an \$1,800.00 individual contribution received July 25, 2008 from Robert L. Schaff, was inadvertently omitted from a 48-hour report, but, however, was properly entered on the corresponding 2008 October 15 Quarterly report. The committee made its best effort to properly account for receipts during the 48-hour reporting period, but this particular contribution was not shown on a 48-hour report.

These corrections have been made on amended reports.
